# **TIMELINE**

2

1950s-1970s

# James/ Marylin

James struggled with isolation and a sense of not belonging in American society.

1955

**Young Marilyn** 

Isolation as a young woman came from her feelings of being tapped by societal expectations of a perfect housewife clashing with her strong ambition to become a doctor.

**Before 1961** 

3

#### Nath

Isolated in a number of ways from expressing his feelings to the isolation from his peers never feeling like he fits in.

4

**Before 1961** 

## Lydia

Someone who struggles to express herself and connect with others, as well as suppresses her own identity to please her parents.

6

**After 1961** 

### Hannah

Being overlooked, Hannah became isolated and was invisible to her family, being the most silent and most observant.

8

1977

## **Death of lydia**

The family grieved and their own ways isolating themselves from each other.
